

PANTHER POST

FRIDAY, AUGUST 18TH 2023 VOLUME 3

Boyer's Buzz

We are two full weeks in and having a great start! Students are positively responding to our character development program.

This week our theme was, How you Respond Matters. The focus was to help students judge whether a particular trigger is really a big deal and to analyze the type of response situations deserve. Very proud of our students with this!

Next week we have our first School Picture Day, Tuesday, August, 22nd.

Encourage students to look their best. Next Wednesday, we finally have our first home event with the Lady Panther Volleyball team hosting Hagerstown.

Homecoming game and event week has been set. The week of September 25 will be our homecoming week with the theme of A Night at the Arcade. Parade and event night will be Wednesday, September 27th. All information is list below. I hope that everyone has a great weekend!

Homework Help Club

These will start around the midterm and will be on Wednesdays and Thursdays.

They will be open to any and all that might need help with completing assignments.
