Whereas, the Parties wish to enter such a contract extension through June 30, 2026;

Now, therefore, in consideration of the mutual covenants contained herein, the School Corporation and Superintendent agree as follows as the terms of this Contract Addendum:

- I. Term. Superintendent hereby accepts continued employment, as Superintendent of Schools for a term commencing July 1, 2021, and ending June 30, 2026.
- II. Responsibilities of the Superintendent. The Superintendent shall have charge of the administration of the schools under the direction of the Board. S/He shall be the Chief Executive Officer of the Corporation. S/He shall direct and assign teachers and other employees of the schools under their supervision. S/He shall organize, reorganize, and arrange the Administrative and Supervisory staff, including instruction and business affairs, as best serves the School Corporation subject of the approval of the Board. S/He shall, from time to time, suggest regulations, rules and procedures deemed necessary for the well ordering of the School Corporation. In general, s/he shall perform all duties incident to the office of the Superintendent and such other duties as may be prescribed by the Board from time to time. The School Corporation, individually and collectively, shall refer all criticisms, complaints, and suggestions called to its attention to the Superintendent for study and recommendation. The Superintendent shall have the right to attend all Board meetings, all Board and Citizen Meetings, all School Board committees as an ex-officio member, and to provide administrative recommendations of each item of business by each

III. Professional Growth. In order to encourage professional growth, the School Corporation shall permit a reasonable amount of time for the Superintendent to participate in professional growth activities listed, as s/he deems appropriate, and shall pay for necessary registration and travel fees and expenses, as may be agreed to in advance.

IV. Compensation

- a. Under the 2020-2021 Contract, the Superintendent's annual base salary was \$125,000. This annual salary shall continue to be paid according to the schedule of salary payments in effect for other certified employees.
- b. If Superintendent's performance is rated effective or highly effective for the preceding year, Superintendent shall be granted a \$5,000 salary increase for each year of this Contract. 50% of this increase shall be based on Superintendent's performance rating and 50% shall be based on Superintendent's additional year of experience.
- c. If the Superintendent is evaluated as effective or highly effective for the preceding year, the Superintendent will be deemed eligible for any one-time performance payment/stipend of the same amount or under the same calculation as applied to Corporation teachers with the same performance evaluation rating under performance grant statutes and/or similar programs. This provision only applies to years in which Corporation receives a teacher performance grant or similar performance award.
- d. The School Corporation and the Superintendent may mutually agree to further adjust the salary of the Superintendent during the term of this contract. However, it shall not be deemed that the School Corporation and the Superintendent have entered into a new contract or that the termination date of the existing contract has been changed.

V. Vacation and Other Benefits.

- a. The Superintendent shall be entitled to all benefits applicable to certificated employees as are incidental to their employment relationship with the School Corporation, except to the extent this Contract Addendum establishes a specific type or level of benefit, in which case the provision of this Contract Addendum shall control. These benefits include, but are not limited to, benefits and leaves, any other forms of insurance protection, retirement program, choice of tax-sheltered annuities, and other certificated employee benefits, except as modified herein. The Superintendent's benefits shall include payment of the School Corporation and Superintendent's portion of any required teacher retirement contributions.

The Superintendent may use the School Corporation's established Section 125 Plan to shelter premium payments.
- d. The School Corporation will make a per-pay matching contribution to a 403B or similar sheltered retirement plan of 5% of the Superintendent's full salary if the Superintendent makes a like or greater contribution to the eligible plan.
- e. The Board shall establish a VEBA Plan and a VEBA account for the Superintendent and shall contribute an amount equal to five percent (5%) of the Superintendent's salary.
- f. The Superintendent will be permitted, in December and June of each year of this Contract, to submit a request to the Board to receive payment, at the Superintendent's regular daily rate, for unused vacation days allotted for that contract year only/up to a maximum of 20 days total within each contract year.

Such request will be granted, provided the request is submitted by December 15 or June 15 of a particular contract half-year.

- g. In lieu of mileage and technology reimbursements/claims submissions, the Superintendent will be granted a combined mileage/technology stipend of \$450 per month. The Superintendent acknowledges the tax implications of this provision and releases and holds the School Corporation harmless for any tax impact resulting from this provision.
- h. The School Corporation and the Superintendent may mutually agree to adjust the above benefits during the term of this contract. However, it shall not be deemed that the School Corporation and the Superintendent have entered into a new contract or that the termination date of the existing contract has been changed.

VI. Professional Liability.

- a. The School Corporation agrees that it shall defend, hold harmless, and indemnify the Superintendent from any and all demands, claims, suits, actions, and legal proceedings brought against the Superintendent in his individual capacity while discharging his responsibilities as an employee of the School Corporation, provided the incident arose while the Superintendent was acting within the scope of his employment, and such defense and/or indemnification is within the authority of the School Board to provide under law. Except that, in no case, will individual Board members be considered personally liable for indemnifying the Superintendent against such demands, claims, suits, actions, and legal proceedings.

  - iii. Total Disability.
