

KHS Panther Press

March 19, 2021

It's Here!

One can almost taste the excitement in the air at KHS this week. We're not sure who is more excited about **SPRING BREAK**: the staff or the students.

We hope all of our students, teachers, staff, and families have a restful spring break and that everyone returns on Monday, April 5th with recharged batteries to finish the home stretch of the school year. There are only 39 school days remaining!

Warmer Weather Leads to Spring Sports and Severe Weather Potential

While spring officially begins March 20th, KHS spring sports are already underway. Coaches and student athletes are excited, especially after missing an entire season last year. Check out our athletic department's website at <https://knightstownathletics.com/> for details regarding any upcoming games/competitions

We also know that springtime brings with it the threat of severe weather. While we understand that our primary function is to teach kids, we also have the responsibility to keep them safe.

As such, on Tuesday, we observed Severe Weather Awareness Week by conducting a tornado drill with our students and staff. Everyone did an admirable job of following directions and getting to their safe locations within our building in a very timely manner. We will continue to work hard to make sure our students are safe in the event of inclement weather.

For tips on making sure you're safe at home, visit <https://www.weather.gov/safety/thunderstorm-prepare>.

Hello Spring!

New KHS Daily Schedule for 2021-2022

Next school year, we are adding 5 minutes to the beginning and end of the school day to account for daily announcements, which will eliminate interruptions during 1st and 7th periods.

Therefore, school will begin at 8:10 AM and will dismiss at 3:05 PM each day. If you have any questions, please contact the high school office.
