## E-Learning Day for ASVAB !

Thursday, April 15<sup>th</sup>, KHS will conduct the ASVAB test for all juniors and select seniors. As a result, we will have an e-Learning day. What does this mean?

- Testing will be from 8:15-12:00.
- **Only juniors and identified seniors** who need to take the ASVAB need to come to school on the 15<sup>th</sup>.
- Freshmen, sophomores, and seniors (**those not testing**) will stay home and access assignments via Google Classroom.
- ASVAB testers will be permitted to go home after the test is concluded **ONLY if parents/guardians notify the school in advance**. Call us here at the school to let us know.
- Students taking the test have been notified. More communication will occur via the school website, social media, and an all-call from Mr. Wherry.
- PM Vocational students will attend their classes at the NCCC after they finish their test.
- Buses will still pick up students in the morning. Any tester who will not have a way home directly after testing will be able to stay at school and can ride their bus home.
- A sack lunch will be offered to any student in the building.

We realize having an e-Learning day may be inconvenient for some families. If you have any issues with your non-tester being at home on the 15<sup>th</sup>, let us know. We will accommodate any students who are not testing but who need to be here on this day.

# FLAG

FOREIGN LINKS AROUND THE GLOBE

## Foreign Exchange Student Host Families Needed

Cultural curiosity and knowledge of the world are more important now than ever before. Our highschool is standing in the gap by welcoming foreign exchange students for the fall 2021 school year. Our partner, foreign links around the globe (FLAG), is seeking host families for our inbound students. For more information about hosting, contact our local coordinator: [Jnewton@flag-intl.org](mailto:Jnewton@flag-intl.org)
