SAT and ILEARN Testing Update

This week has been very busy and productive with testing, not to mention all of the other typical school day activities that round out a school year.

Many juniors and some seniors participated in the SAT exam this week. Ms. Vischer and Mrs. Doubman, along with several teachers who proctored, put together and facilitated a positive testing experience, and we hope students will benefit from being able to take the test in their home school.

Also, all current biology students have been taking the ILEARN Bio ECA. Most have finished, and a handful still have parts to complete. We will work on concluding this round to testing early next week.

A Prom Under the Stars

Saturday, May 1st, KHS juniors and seniors will attend prom at the Freedom Barn. This event is limited exclusively to KHS juniors and seniors. KHS freshmen or sophomore guests are not permitted to attend. Outside guests will also not be able to attend.

Thank you to Mrs. Tully and Robin Gregory—along with the students of the prom committee—for planning a great event. We hope all have a blast!
