## Class of 2021 in the Home Stretch!

EVERYONE is excited about the upcoming summer break. However, we are most excited about having a more traditional end to the school year, something sorely missed a year ago.

Seniors are working hard to ensure they have all required courses completed, along with any other graduation requirements. Teachers are also working feverishly to help them along. The next 3 weeks are so important; if you have a senior at home, your continued support is crucial and appreciated. Commencement will be Sunday, June 6<sup>th</sup>, at 2:00 PM on Don Willard Field. More details will be sent to students/families very soon.

## AP Testing in Full Swing

Many of our students are participating in AP testing the next couple of weeks. Students have been notified of their testing dates/times and will take the test in the media center with Ms. Vischer.

## Healthy Reminder

The weather is warming up, and we're all eager to return to some normality after the last 14 months. With that, KHS is still implementing our COVID protocols through the end of the school year. This includes, but is not limited to, wearing masks and social distancing. We appreciate everyone's assistance to ensure we continue to have a healthy environment for all.
