PowerSchool Parent/Student Accounts

This week, we distributed student **information, which will allow you to access the parent portal in PowerSchool to view your student's current grades and attendance.** The form contains two sets of logins: one set is the login information for the parent/guardian and the second set is the student's login information. Instructions displaying the link and detailing how to login to your account are included. The link to the PowerSchool parent portal can also be found under "Parents" on the high school website main page.

If you have any questions concerning the instructions or if you have issues logging in, please do not hesitate to contact the high school main office at 765-345-5153.

Freshmen and Sophomores Commit to Graduate

Last week, our Freshmen and Sophomores met with representatives from Jostens to discuss the road to graduation and to sign their class commitment to graduate banners. These banners hang in our hallway throughout students' time at KHS as a daily reminder that they should make every effort to do the things needed to ensure they graduate.

COVID-19 Screening for Parents

Every morning before you send your child to school please check for signs of illness:

- Does your child have any sign of illness above?
 - Were you in close contact (within 6 feet for a total of 15 minutes over a 24-hour period) with anyone confirmed with COVID-19?
 - If the answer is YES to any of the questions, DO NOT send your student to school. Instead, begin isolation of your child and contact your healthcare provider. Have you been tested for COVID-19? Only a positive test or provider diagnosis can confirm if someone has a current infection.
 - Please keep your student home until they meet the criteria.
- CALL 911!**
