Important Dates

Oct. 8	End 1 st Quarter
Oct. 11-15	Fall Break
Oct. 18	Begin 2 nd Quarter
Oct. 21	ASVAB
Oct. 26	PSAT
Nov. 11	Veterans' Day

Fall Break in Sight—Check those Grades!

While many welcome the official start of the Fall season, they are also very excited about Fall Break, a mere 2 weeks away!

But don't lose sight that the end of the 1st quarter grading period is also 2 weeks away (**October 8th**). It is so important that students continue to work hard and check their grades. We urge students to communicate with their teachers if they have questions about their grades.

These grades are important for all of our students, with an added significance for our student athletes and vocational students to maintain eligibility in these programs. Again, contact teachers ASAP if you have questions about student grades.

From the Guidance Department

We are in the thick of the 1st semester, and that means we have some very important upcoming testing dates.

On **October 21st**, all juniors, and some volunteer seniors, will take the Armed Services Vocational Aptitude Batter (**ASVAB**). This is one of the tests that students take to help them meet graduation pathway requirements. Those students not taking the test will meet in classrooms and will work on class assignments via Google Classroom while testing occurs.

On **October 26th**, all sophomores, and some voluntary juniors, will take the **PSAT**. This is a state-mandated test that gives students the opportunity to practice and to experience what it will be like to take the SAT before applying to colleges/universities their senior year. As with the ASVAB test, non-testers will report to assigned classrooms and will work on assignments via Google Classroom.

We will communicate with testers in the coming days and weeks. Please be on the lookout for pertinent information.

PowerSchool App!

Be sure to look for the PowerSchool mobile app on your smart phone or smart device for even more convenience when looking at your student's grades and progress this year.
