BC2M

Our new mental health club BC2M has been hard at work!

If you see any clothespins coming home on your students, you can thank BC2M! They created a positive affirmation board with individual clothespins that each contain a positive message. Students have been giving them to each other this week to remind them of their value!

HANDS ON SCIENCE  
WITH MR. SCHOLL

Mr. Scholl calls it the "Stinky Lab"! The goal of the lab? Identify and classify items. Students each toss a shoe into the middle of the room. Then they debate and create a tool to classify their shoes. It's not as easy as it looks though. Much debate was held and in depth conversations surrounding the discovery of new items!

## National Honor Society

Congratulations to our new NHS students:
