FORTNITE

GAME REVIEW

1st week of February / 2024

2nd Edition

Since its release in 2017, Fortnite has taken our school (and the world) by storm (pun intended). It is a battle-royale type game, where you can play solo, or with a duo, trio or squad. There's more than just the original, however, such as creative worlds, LEGO, racing, and Fortnite Festival. LEGO is geared more towards a younger audience, and is rated 7 or older. My personal favorite is Fortnite Festival, which is like Guitar Hero. You can choose 4 different instruments/modes, vocal, guitar, bass, or drums, and 4 difficulties; easy, medium, hard, and expert. All of these new modes came with the newest season.

A lot of people use customizing their character as a way to express themselves, but it's not required. The battle pass is a way to get skins, back blings, pickaxes, and much more for in-game currency. The item shop is another way to get customization items. This also requires their in-game currency. However, the item shop refreshes every day, so you have to be quick if you want something from it!

Fortnite's in-game currency is called V-Bucks. You can get these by using real money to purchase them. There are still ways you can get customization items for free, though. For example, you can still get some items from the battle pass for free. There are also quests or events where you can get them. There are also emotes, which people can use in the same fashion. These are quick dance moves that your character will perform. Most of which are from popular TikTok sounds, or music. Overall, I would say this game is a good choice if you like a fighting-style game. I like the game myself, but sometimes it gets a little repetitive. If I were to rate this game, I would probably give it a 7.5/10. It is fun to play with friends or alone, but since there isn't much variety in the game, it can get boring pretty quickly. If you are into those types of games, however, I, and the rest of Knightstown, would recommend it.

RECENT SPORTS

BOY'S BASKETBALL

On Saturday, January 27, the boy's basketball team lost a close game to Oldenburg Academy, with a score of 36-39. Micheal Roberson led the way for the Panthers with 21 points, shooting 53% from the field. Palmer Newkirk also had 10 points and 6 rebounds. Roberson is now only 13 points away from the 1,000 mark. With this loss, the boys fall to 7-8 but look to improve their record Thursday at Blue River. JV starts at 6:00, and Varsity will follow.

WRESTLING

On Saturday, January 27, the wrestling team competed in Sectionals. Freshman Brody Butler won his first two matches. Unfortunately, he lost his third match. Xavier also advanced to regionals with a third-place finish in his weight class. Both will wrestle in Regionals on February 3 at Richmond High School.
