2nd Grade Class Project

Recycling Wednesdays

By: Kaelynn Dotson

On Wednesdays 2nd grade students are coming around to get recycling from all the classrooms at Knightstown Elementary. It's important to recycle

because it is good for our Earth. You can put your recycling in a recycle bin in your classroom. You can also put it in the big bins in the hallways. We can recycle paper, cans, cardboard, and plastic like water bottles. Remember always recycle!
